

Good Choices Chart

Use this chart to help your child identify and make good choices. First, decide on the reward they will receive once all the squares are filled. Acknowledge when your child makes a good choice and write it in or add a sticker to one of the squares. Give your child their reward when they reach the end of the path!

's Good Choices!

Reward:

Start!

Keep Going!

Great Job!

Almost There!

You Did It!
